Message from Ms. Hua, AP Procedures

- Students need to be registered on College Board (CB) in order to process as exam orders. Student ID #s on CB have to be absolutely correct.
- Taking an AP class does not register students to the corresponding AP exam.
- Payment will not guarantee an order; if student is not registered on CB.
- Exam-only options are available (deadline passed for Spring 2025).
- Fees will be added to exams that are unused.
- Late fees will be added to all exams that are not paid on time.
- AP exam fees should not hinder a student from registering for an exam; see Ms. King.
- Details available in [\[link\]](#).
